This beautiful property is on the roadside, a few km from Monovar where you will find all the amenities.

The property dates from +/- 1932 and has kept all the charm of Spanish houses (wooden beams, typical kitchens, etc.). The main house has on the ground floor a covered terrace, a spacious fitted kitchen with breakfast area and laundry room, a bathroom, 2 living rooms (one with fireplace) and two bedrooms. Upstairs are 5 bedrooms (the master bedroom has an en-suite bathroom and a small living room).

The house has oil central heating, running water and electricity.

You have a second house with on the ground floor a very large dining room with BBQ. An outside staircase takes you upstairs where you have 2 bedrooms, a bathroom and a living area. Possibility of installing a kitchen.

Between the 2 houses, you have a beautiful inner courtyard, ideal for cooler evenings.

The land is fenced and accessible by an electric gate. On the land, you have a beautiful swimming pool and many shaded corners to enjoy sheltered from the sun.

If you are looking for a very large house with a guest house, not too far from amenities, this property is for you. Alicante airport and beaches are only 35 minutes away.
